

Working Hard, Having Fun, On Our Way To #1

It's hard to believe, the **2009-2010** season is upon us! The club is looking forward to building upon last season's success and carrying that momentum into the upcoming wrestling season. This past season PBWC's most successful year to date capturing the Team Championship at Delta Duals, Team Co-Champs at the Bidly Pit and the TEAM Runner Up in the OURWAY State Tournament. We are pleased with these accomplishments but are also aware of the danger of compliancy. The staff is committed to developing the best developmental program in Northwest Ohio and the strongest foundation for Perrysburg Wrestling.

PBWC

Welcome to PBWC:

Perrysburg Biddy Wrestling Club is committed to instructing and training young athletes in the sport of wrestling. We offer a variety of training programs that are geared towards both the beginner and advanced wrestlers.

Beginning wrestlers will learn the fundamentals of wrestling including takedowns, escapes, and pinning combinations. Experienced wrestlers with a solid fundamental base will work in separate groups to learn advanced techniques often taught in junior high, high school, and college.

Dual meet competitions will be held throughout the season. Duals offer a friendly environment where wrestlers are matched up with other opponents of similar size, weight and experience. The club also participates in various tournaments that target the skills of our wrestler's who are seeking a higher level of competition.

On behalf of PBWC, welcome to the sport of wrestling!
